## Squadron Newsletter

### Newsletter changes

Starting this month there will be a few added features to the newsletter, I would appreciate any feedback as I only hope to improve the quality of the newsletter for everyone's benefit. I have added a monthly calendar of events for both the Senior members and the cadets. I have also added a classified section, this section will be opened to not only members and their families but to the general public as well.

There is a charge of \$3.00 per ad, all monies made from the newsletter will go into a fund for our squadron.

If you would like to submit an ad into our next newsletter please email me mattandjess\_smith@yahoo.com before the 25<sup>th</sup> of each month.

Thank you for helping support the Lebanon Composite Squadron.

### Open House & Graduation

Just a reminder that our Open House is on November 14<sup>th</sup> at 6:30 p.m. Blue's dress attire is required, for everyone who has yet to receive their Blue's uniform please see Major Freeman or Lt. Davis.

We are currently looking for volunteers to help us out with snacks for the Open House. If anyone is able to bake some cookies or other snack like goodies, please contact Sm. Jessica Smith.

On November 28<sup>th</sup> the Bravo Flight's graduation will be held. Family and friends are welcome, as well as school official's. We highly encourage you to invite your school official's as we are proud of your achievements and would like to share all of your achievements with your school officials.

### National Recruiting Campaign

Over the past couple of months we have had many new Cadets and Senior Members join our squadron. Just to remind everyone that the National School Recruiting Campaign is underway, you still have till November 30<sup>th</sup> to get all your recruitments into HQ's.

## Cadet of the Quarter

Cadet of the Quarter is currently underway. The Cadet of the Quarter will be judged every three months on attendance, appearance, and participation. The cadet who is honored to receive this title will wear the Cadet of the Quarter ribbon, receive a framed certificate, and be highlighted in our newsletter.

For more information regarding Cadet of the Quarter please see Lt. Davis.

## Bravo Flight

I have recently joined the Civil Air Patrol at the Lebanon airport. In the past 4 weeks 6 others and I have started a 6 week basic training class. During the six week program we have been learning the basic drill movements, the different rankings of officers, customs and greetings, and the core values. In the upcoming 3 weeks we will be having a fitness test, taking a board of review, having a uniform inspection, and a leadership exam.

When I decided to join the only thing I could think of was that this group would do is study to get your pilots license. After going to three of the six weeks I learned you have to gain more knowledge in many different fields to work towards achieving my goal of being a pilot.
